The surviving spouse also inherits 50% of all the farm machinery and livestock. Let's assume that family tractor was purchased years ago and is fully depreciated. The remaining basis prior to death was zero, but now, the surviving spouse gets to assume a new basis. That new basis is the fair market value in the deceased spouse's half of the tractor. If the fair market value is \$40,000 ...

When a brand's owner dies, a key factor in determining who inherits the brand — and livestock bearing it — is how the brand was recorded. Ranchers who have multiple owners on a brand need to be aware of the differences in inheritance between a brand recorded as “joint tenancy ownership with right of survivorship” and one recorded as “tenants in common,” said Marsha Goetting, MSU ...

Other than his family, cattle were the love of Tom Gorman's life. He was far ahead of his ranching neighbors in terms of his abilities as a breeder of high-end cattle and even as a cattle rancher. Gorman took it personally if even a single animal disappeared or died. He would be out at 3 A.M. in snowstorms taking care of newborn calves. He was obsessed with good ranch management.
