## Smart Booking-Keeping for Everyday Businesses

We realize that small business owner spend up to 52 hours a week trying to keep up with their administrative tasks.

36 percent of people responsible for the numbers in small businesses don't have any kind of financial training and actually find accounting boring.

As a result, only a few out of hundreds of thousands of SMEs succeed beyond their first generation. We want to change this status quo and create sustainable businesses for SMEs.

BridgeBooks helps you breeze through admin tasks, nail your finances, and run your business like a pro . Get real time insight to your cash flow and digital advisory from us to know how best to be financially smart.
